Instrument	Condition	Purchase Price	36-month Rental Rate, before R&M plan

Yes- we have both a 10- and 36- month option!

We offer a 10-month payment plan on any of these instruments. There is a small 5% financing fee to do this.
For example, if a refurbished Buffet E11 clarinet normally costs $1250, the payment plan would be $1250 plus 5%, so $1,312.50.
This would be made in 10 monthly installments of $131.25.

Also, we offer a 36-month rent to own option with the option to return the instrument at any time and a 20% financing fee.
The monthly rate is calculated by dividing the purchase price by 30.
For example, a Buffet E11 clarinet normally costing $1350 would be $45 per month.
You have the option to return or pay off the balance of the instrument with the rent-to-own option at any time.

A credit/debit card or ACH is required for payment plans, and we will automatically charge the card for each payment.
You don’t have to manually pay the bill each month.
