Do You Offer Any Payment Plans?

Yes- we have both a 10- and 36- month option!

We offer a 10-month payment plan on any of these instruments. There is a small 5% financing fee to do this. For example, if a Bach Stradivarius trumpet normally costs \$1,200, the payment plan would be \$1200 plus 5%, so \$1,260. This would be made in 10 monthly installments of \$126.

Also, we offer a 36-month rent to own option with the option to return the instrument at any time and a 20% financing fee. For example, a \$1200 purchase price Bach Stradivarius trumpet would be \$40 per monthly payment- the monthly rate is calculated by dividing the purchase price by 30.

A credit or debit card is required for payment plans and we will automatically charge the card for each payment (don't have to manually pay the bill each month).
