Do You Offer Any Payment Plans?

Yes- we have both a 10- and 36- month option!

We offer a 10-month payment plan on any of these instruments. There is a small 5% financing fee to do this. For example, if a refurbished Buffet E11 clarinet normally costs \$1250, the payment plan would be \$1250 plus 5%, so \$1,312.50. This would be made in 10 monthly installments of \$131.25.

Also, we offer a 36-month rent to own option with the option to return the instrument at any time and a 20% financing fee- the monthly rate is calculated by dividing the purchase price by 30. For example, a Buffet E11 clarinet normally costing \$1350 would be \$45 per month. You have the option to return or pay off the balance of the instrument with the rent-to-own option at any time.

A credit/debit card or ACH is required for payment plans and we will automatically charge the card for each payment (don't have to manually pay the bill each month).
