Do You Offer Any Payment Plans?

Yes- we have both a 10- and 36- month option!

We offer a 10-month payment plan on any of these instruments. There is a small 5% financing fee to do this. For example, if a used, refurbished Bach Stradivarius trumpet normally costs \$1,200, the payment plan would be \$1200 plus 5%, so \$1,260. This would be made in 10 monthly installments of \$126.

Also, we offer a 36-month rent to own option with the option to return the instrument at any time and a 20% financing fee. For example, a \$1200 purchase price Bach Stradivarius trumpet would be \$40 per monthly payment- the monthly rate is calculated by dividing the purchase price by 30.

A credit or debit card is required for payment plans and we will automatically charge the card for each payment so that you don't have to manually pay the bill each month.
